Per BYLAWS:

At least one CWDS score must be submitted.

The top two scores per level will count towards each person's averaged scores.

Non-CWDS scores must be self-reported.

If there is only one score per level received, no average will be taken and the person will not qualify for the year end awards.

Age or age bracket must be self-reported.

USEA, Western Dressage, and other non-USDF tests are collectively included under the heading 'Alternate'.

The top two scores per person will count towards their age-bracket score.
